

Information about Step-Up Step-Down in Northwood

We're excited that you are interested in joining our step-up step-down program! Our home is a retreat for those who are ready to focus on their mental health goals, but it is still a home. It's important to set a few boundaries so that we can make sure that our house is a safe and supportive environment for all.

- I understand that step-up step-down is a peer driven mental health program. If accepted, I would be expected to focus on learning how to strengthen my wellness. I am prepared to do the hard work of setting goals, exploring possibilities and reflecting on my life in order to be able to move forward.
- I understand that I would be responsible for:
 - Arranging for my own transportation,
 - Taking my medication,
 - Caring for my physical needs without assistance (showering, using the restroom, cooking, cleaning up after myself, doing my own laundry, etc.),
 - Managing my own schedule.
 - Maintaining a safe and supportive environment for all at SUSD.
- I understand that the common areas are communal and that I would be responsible for helping to keep them clean by picking up after myself.
- I understand that there is no smoking or vaping inside the house; only in the designated smoking areas.
- I understand that I could be immediately suspended or removed from the SUSD program for:
 - Property damage of any kind;
 - Sexual harassment/bullying;
 - Possession of illegal substances; possession of alcohol. We are a clean/dry campus;
 - Possession of a weapon (ANY item intended to cause harm), including firearms;
 - Physical violence; threatening behavior (verbal and/or physical);
 - Discrimination, violence, and harassment based on culture, ethnicity, race, sex, gender identity and expression, nation of origin, age, languages spoken, veteran's status, color, religion, disability, and sexual orientation.
